- Campus no longer has a bookstore.
- Two vending machines currently provide blue books:
- One near Financial Aid.
- One in the B Building.
- Vending machines frequently malfunction, causing accessibility issues, especially for night students.
- Options for providing materials:
- Dean purchases supplies for staff to distribute.

- Faculty purchase supplies themselves and provide to students.
- Continue purchasing centrally and distribute to students.
- No longer any in-person bookstores available.
- Scantron vending machine is unreliable and often malfunctions.
- Professors should be provided Scantrons to distribute directly to students.
- Suggested survey to identify which professors require Scantrons to reduce unnecessary costs.
- Proposal for a donation program to provide Scantrons to future students.

8.2.4 AB1400 Nursing Bachelor's Degree

Discussion of letter of support to the California Governor to allow Bachelor of Nursing degrees to be granted at California Community Colleges.

(10 minutes Discussion Lead: Blake Balajadia)

Motion to Open Discussion: 1st Deniz 2nd Sergio

- Discussion centered on AB 1400, which proposes allowing community colleges to offer bachelor's degrees, specifically in nursing.
- There is an ongoing shortage of nurses, and university nursing programs (UCs and CSUs) are often unaffordable and overcrowded.
- Community colleges could help fill this gap, especially in rural areas without nearby UC or CSU campuses.
- Allowing BSN programs at community colleges would reduce financial strain on students, who otherwise must relocate to larger cities to complete their degree.
- Motion to extend discussion: 1st by Darius, 2nd by Nico.
- Proposal for students to sign a petition or vote in support to demonstrate the need for this change.
- Current limitation: Evergreen Valley College only accepts about 50 applicants per year for the associate nursing program.
- If ASG proceeds, the next step would be to vote and send support to Governor Gavin Newsom.
- ASG will take the lead in pursuing this effort.
